

A Rainbow of Fair Share Giving TVUUC

Red: Sometimes members or friends cannot make a financial commitment to the church. They might be having severe health issues, experiencing homelessness, or be on permanent disability. People in every life circumstance are welcome at TVUUC. If this is you this year, please fill out a pledge form to let us know that you won't be making a pledge (put zero in the amount line). You are also invited to speak with our pastoral care folk about supporting you in whatever ways you might need.

Orange: An orange pledge comes from a household without a lot of extra money. Orange pledges may come from a single parent household, someone who is underemployed, is supporting a large family or caring for others, or is a student. Sometimes, people in this category cannot make a financial commitment during our stewardship season, but give when they can. We are grateful for all forms of generosity. An orange pledge is between \$1-50 per month, \$12-600 per year.

Yellow: A yellow pledge comes from a household that is generally financially secure but lives modestly. Yellow may come from an individual or family making just a living wage, living on a fixed income or that may have an income that is quite variable: up one year and down the next. A yellow pledge is between \$51-125 per month, \$601-1,500 per year.

Green: A green pledge comes from a household that has financial resources. A green pledge comes from a household that can usually pay bills on time and has a cushion for family vacations or other discretionary spending. A green pledge is between \$126-375 per month, \$1,501-4,500 per year.

Blue: A blue pledge comes from a household that is financially comfortable. Perhaps they have a well-paying job or two, a robust retirement fund, or other assets. A blue pledge comes from a household with a good amount of discretionary income, who has perhaps recently traveled abroad, or can if they choose. A blue pledge is between \$376-750 per month, \$4,501- 9,000 per year.

Purple: A person or family who makes a purple pledge has a secure financial situation. A purple pledge comes from a person or family for whom travel is often possible or who might own more than one home. A purple pledge is more than \$750 per month, more than \$9,000 per year.
